TERM 2 WEEK 6

Moree Golf Club hosts Come and Try Golf Day

On May 10, ten Year 9 & 10 students accepted an invitation to attend a Come and Try Golf Day to learn the fundamentals of golf. In the morning students were taught the skills of putting, pitching and driving on the fairways. Following a BBQ lunch, we headed onto the course for an Ambrose game in effort to put practice into play. Our students demonstrated impressive skills while having fun. The free clinic was appreciated by all.

SPECTACULAR SCHOOLS INSPIRED

Spectacular Schools – TOTEMS Showcase

During Term 4 2021, our Moree Secondary College Dance Academy students took part in Spectacular Schools – TOTEMS, a joint dance project with The NSW Arts Unit and Bangarra Dance Theatre.

The project involved schools from across the State taking part in workshops with Bangarra, filming the dance on country and having it centrally edited into a combined dance performance.

The presentation was spectacular!

As a result, a Showcase has been created.

Catherine Gilholme from The Arts Unit wrote:

'Due to the overwhelmingly high standard of filming and performance from all schools who participated in the Spectacular Schools Inspired - Totems project, we are excited to announce that we have put together a showcase of each school's submitted films for their work.'

This showcase has given us the opportunity to feature more of the choreography performed by your students and to celebrate the incredible achievement of developing this final work in an online capacity using the expertise of staff and the community.

We are delighted to be housing this on the Spectacular Schools - Inspired website at the following link:

Star Struck Choir Update

The first Star Struck combined choir rehearsal took place on Friday, 20 May at the Newcastle Entertainment Centre.

After such a long time with restricted singing in schools it is wonderful to see 16 of our CAPA students representing Moree Secondary College to sing and perform once again.

Being part of the Star Struck choir is a very demanding job. Not only do they perform a featured song but also provide backing vocals for most of the show, complete with choreography!

Our choir will form part of the senior choral section and perform all 4 shows.

If you are planning to attend Star Struck to support our students, they will be seated in section 29.

Perhaps reserve tickets on the opposite side of the Entertainment Centre for the best view.

Star Struck Dance Rehearsal

On Tuesday May 3, our Moree Secondary College Dance Academy Students attended the first Star Struck Sectional Rehearsal at the Newcastle Basketball Stadium.

The day was spent learning all new choreography and staging for the event. Rehearsal went from 9am until 3pm and our students were incredibly focused, never missing a beat!

Without giving too much away.... our featured section celebrates all that is Iconic about Newcastle. Expect plenty of sequins and some incredible dance in formation.

Students will attend one further rehearsal on Friday, 3 June before 'Show Week' beginning Tuesday, 14 June 2022

Well done girls!

Star Struck Iconic 2022 is almost here!

We are so proud of our Moree Secondary College Choir and Dance Academy students who successfully auditioned for the show early in Term One.

After such a long time of restricted performance opportunities it's wonderful to see our talented CAPA students showcased at an event such as Star Struck.

We'd love to see as many parents, carers and family as possible come along to see our students shine!

This year the show has been double-cast to allow for more performers. This means that our Dance Academy are part of Cast A, Performing:

- Friday, 17 June @ 11am
- Saturday, 18 June @ 7pm

Our Choir will perform all 4 shows

Tickets are now on sale through Ticketek
